TOOLS OF THE TRADE

A stylist is only as good as the tools at his or her disposal! Make sure you're stocked up on these noteworthy gadgets.

The **ghd Limited Edition Pink Blush Collection** includes a platinum and gold one-inch styler, blowdryer and paddle brush. [@ghdhair](#)

Powered with a lithium ion battery that lasts for up to two hours, the **Wahl Beret** creates clean cuts and lines with snap-on blades. [@wahlpro](#)

Valera PremierPro has a six-airflow setting, extended-life DC Motor and a SuperFlex cable with rotocord. [@swissvalera](#)

DAFNI Original Ceramic Hair Straightening Brush maintains a consistent 365-degree temperature, and has patented heat-resistant bristles to protect the scalp during brushing. [@dafnihair](#)

Bio Ionic Marcel Curling Iron 1" features marcel handle locks and rotates to provide optimal control while curling. [@bioionicla](#)

Ideal for teasing, backcombing and detangling, the **Jatai Teasing Pin Comb** is thermal resistant and features 100 percent Japanese stainless steel pins. [@jataifeather](#)

CHI Ellipse Teflon Tapered Styling Wand creates tight, textured curls with the front end of the barrel and loose waves with the back end. [@chihaicare](#)

Designed to fully distribute product through hair, **Olivia Garden iBlend Color & Care Brushes** are perfect for highlights, balayage and root touch-ups. [@oliviagarden](#)
