WAHL 5-Star Barber Combo Pairs the Powerful Legend & Hero Together with Premium Design For Best Overall Value

Utilize Two of WAHL's Top Tools to Perform Precision Cuts

STERLING, ILL. (APRIL 25, 2016)

Wahl Professional introduces the new 5-Star Barber Combo, featuring the Legend clipper and Hero trimmer available in a premium new black and gold look. The Barber Combo from Wahl combines two essential tools for ease and convenience, a sleek design and top mechanics to deliver a barber duo that's both modern and mighty. The 5-Star Barber Combo is an ideal upgrade for the barber-stylist ready to perform superior cuts with endless possibilities.

As the name implies, what makes the 5-Star Legend an exceptional tool is the extended blade slide. This lightweight clipper comes with a unique deep-tooth blade and extended lever that allows for a greater cutting range for precision fading. The Legend clipper is equipped with a powerful v9000 electromagnetic motor, built to provide continuous power for the busy user.

“I use the Legend for tapering, fading and even clipper over comb,” says Master Barber Rick Morin, Wahl Education and Artistic Team (W.E.A.T.) member. “The wedge blade and extended lever makes the Legend stand apart from other tools, they’re something we haven’t seen before.”

The wedge blade has “crunch blade technology” unique to the 5-Star line. The cutting blade has a curvature that actually picks up the hair, allowing you to execute an even cut every time.

The 5-Star Hero trimmer is powered by a strong rotary motor and is equipped with a t-blade for precision lining, edging and design. Achieve clean, crisp lines with this sleek, yet sturdy trimmer intended for all hair textures.

“I use the Hero to start my initial line in a bald fade,” says Morin.

The Hero’s powerful motor helps remove the bulk and speed the hair removal when performing a bald fade. Together, barber-stylists gain the Legend and Hero at an overall better value than purchasing the two tools separately.

Any professional comfortable with their clipper techniques will benefit from the Legend clipper and Hero trimmer.

“If you’d like to use the 5-Star Barber Combo but aren’t quite comfortable enough with your clipper techniques, Wahl offers a variety of educational platforms nationwide to help elevate your skill level,” says Wahl Director of Education Laura VanderMoere.
